## 7272 SERIES

Release the biggest Cuda on the largest and dirtiest of jobs

CUDA KÄRCHER GROUP | FRONT-LOAD AUTOMATIC AQUEOUS PARTS WASHER

# 7272 SERIES

Approx. scale to  
7272 model

## Release the biggest Cuda on the largest and dirtiest of jobs

The Cuda 7272 is the largest front-load parts washer in our entire product lineup. It features a turntable diameter of 72-inches, working height of 72-inches, and load capacity of 5000 lbs. The 7272 series is equipped with a 7.5 HP vertical seal-less pump producing 180 GPM at 40 PSI, and has a 160-gallon sump capacity. A variety of industries can benefit from a 72-inch diameter parts washer including oil and gas, heavy equipment industry (CAT), railroads, and large manufacturing.

### Aqueous parts washers clean faster and better without using harmful solvents!

Cuda automatic parts washers provide a safe and efficient solution to cleaning parts because they don't use harmful cleaning solvents to clean. Our automatic parts washers also provide a time-saving, easy parts cleaning solution for your staff allowing them to simultaneously clean parts while performing other tasks.

#### 1 Optional Dedicated Sump

- A part of the optional deluxe kit that functions completely independent of the main sump.
- Fill with any type of cleaning solution.

#### 2 Compact Footprint

- Space saving roll-in door allows easy access to the wash chamber.
- Reduces footprint over other traditional parts washers.
- Roll-in door prevents wash solution from dripping on the shop floor.

#### 3 Customize and Accessorize

- Customize your parts washer to your specific needs, like with this deluxe kit, so washing becomes the easiest part of the work day.

#### 4 Detergents Extend Your Warranty

- The 90-day labor warranty for all Cuda Kärcher Group parts washers is automatically extended to a 1-year labor warranty with exclusive use of our solvent free detergents. Our parts washers are also covered by a 1-year parts warranty.
